We ask members to bring a potluck item to our Toe Dragger dances.

We also ask members to support our club by signing up for 4 duties during the year, their choice of door duty, kitchen duty or decorating the grange for a dance.

Dues as indicated are payable quarterly, but can be paid for 6 months or a year at a time as well (\$22.50 per quarter, \$45 for 6 months, \$90 for a year).

A Family unit is defined as one or two Club member adults responsible for the supervision of a Club member child under the age of 18 (or still going to High School).
